

York Hackspace

*York Hackspace is a place for anyone
who is or wants to be a hacker.*

Every Wednesday from 8pm at Guppy's Enterprise Club on Nunnery Lane

All hackers, tinkerers and makers welcome to join.

No experience needed - just enthusiasm.

If you're interested in coming to the next meeting, please let us
know via the mailing list, at least 3 hours before the meeting.

Members: £2.40 per visit
Guests: £3.10 per visit
Membership: £4.00 per year

A hacker, to me, is someone who does what they do because they love it. You know, whether or not it makes them money they're doing it because they love it; they're really into it. Whatever they're enthusiastic about they learn as much as they can and then they improve upon it and then they share it with the world. That's what a hacker is to me.

- Mitch Altman
